ATTENTION

During the season any change of car outside the class will be blocked

the car must be specified when registering for the championship or before the opening of the QG

New entries and changes will be blocked during the running of the race.

In races with two or more stages there will be a "SUPER RALLY" option that will allow retired drivers to re-enter the next stage.

A driver who, during the course of a race, makes use of one or more "SUPER RALLYS" at the end of the competition will have the score of the competition halved.

Please note that for each special stage not run due to withdrawal, the same number of times will be assigned plus an additional minute for each stage not run.
