A) FOREWORD

The CAREER MODE is an additional and alternative modality and in parallel to the Classic Championships and is offered exclusively to all RBR-WORLD members.

It is strictly connected to the RANKING and who will be interested in participating in it will have to follow an evolutionary and managerial path that at the beginning will be the same for everybody because it will allow to use only a limited number of cars, then advancing in level it will be possible to use more and more performing cars for a more satisfying and involving experience.

B - RALLY-MONEY ACQUISITION

At the end of each race run in CAREER MODE, if you complete all the special stages of the race, you will receive a virtual cash prize called RALLYMONEY from now (RM).

The amount of the prize is the same for all classes with equal placing, whoever enters the overall with cars of lower categories will receive an additional prize in RM.

the positions in the standings valid for the acquisition of RM are from 1st (FIRST) to 20th (TWENTY-SIXTH).

C) DRIVERS' LICENCE

There are several licences which are obtained by taking a licence examination. the booking of the examination is done by paying a fee in rallymoney which varies according to the licence. The exam consists of a race where you have to beat the reference time.

the exam can be taken only once and is carried out by all drivers with the same car communicated at the moment of registration.

D - CAR RENTAL

Each Driver at each renewal of membership will have the initial sum of 10,000 RALLY-MONEY.

At the start of the CAREER MODE, they may use their own wallet funds to rent a car worth up to 10,000 RALLY-MONEY or they may decide to use a CLASS N1 car which will be allocated free of charge.

This car will always be available even if you lose all your money during the season.

As you accumulate RALLY-MONEY, you will be able to rent more and more high performance cars that can only be used in special races and championships if you have reached a specific LEVEL of licence (see paragraph "C THE DRIVER'S LICENCE").

E) THE FRANCHISE

The value of the rental is divided between car rental and 50% deductible.

if the race is successful, the driver will be credited only the cost of the deductible.

if the driver does not complete the race, the total cost of the rental will be deducted.

During the season there will be races, outside the championship, which will be used to increase your ranking and your financial availability.
